Now, just a word about these touring cars. If there is a man, woman or child in the United States who would not like to own an automobile there is something wrong with him. Automobileing is the most fascinating, healthful and exhilarating sport known to mankind. But you all realize that, don't you? All of you have envied the people who go speeding along ten times faster than those of us who are obliged to travel by foot or by the vehicle. Big satisfaction to climb into a car and get where you want in just a few minutes, is it not?

Well, here is an opportunity that the Maysville Daily Bulletin-Public Ledger is giving you to secure an automobile by a little work. And the two cars are Saxon and Overland five-passenger. What do you know about that? And they are fully equipped, so that when the cars are awarded to you for your efforts in this contest, all that you will need to do is to climb in and speed away, happy in possession of an instrument of pleasure that will yield more satisfaction than anything you have ever owned.

Almost a hundred other makes of machines were considered by the Daily Bulletin-Public Ledger before these two were finally chosen for the capital prizes in this great contest. Many of them could have been purchased for less money, but the showing that these two machines made through this section recently, because of their durability and standing as cars in which satisfaction and sterling worth is to be found in every part

of their mechanism, these two cars were chosen and they will be awarded to the young ladies who at the close of this great contest will have more votes than any other contestants.

**To Decide By Ballot.**  
The decision as to who will win these prizes rests with the Daily Bulletin-Public Ledger readers. There will be a method of voting by coupons and by ballots, as explained in another part of this paper. During the first part of the contest coupons will be printed which, when filled out and sent to the Contest Manager will count 200 votes. Votes are also given on new and to old subscribers paying or prepaying their subscription according to the schedule of votes as printed elsewhere. All votes are absolutely free, and persons may vote as many times and as often as they wish, and for whoever they wish.

**How To Win.**  
Any young lady who desires to enter this contest and win one of the magnificent prizes offered should see that her name is sent to the contest department.

All that is necessary to win a prize is to receive the largest number of votes, according to the conditions mentioned elsewhere in this announcement.

**Magnitude of Contest.**  
The contest, by this distribution of such a great number of prizes and the value attached thereto, becomes one of statewide interest. Thousands of people will watch closely the standing of the various candidates and for that reason the standing of the candidates and the number of votes to their credit will be published twice a week. All will then know just where each one stands and can work accordingly.

**Open Evenings.**  
For the benefit of those who are able to get to this office during business hours, the contest department will be open every evening until 9 p. m. List of candidates and their standings will be found on page three.

## TRAFFIC ON OHIO RIVER WAS BRISK DURING YEAR.

The report of Col. Henry Jervy, officer in charge of Cincinnati District No. 1, Corps of Engineers, U. S. A., forwarded to the War Department shows that during the fiscal year ending June 30, the sum of \$2,112,224.29 was spent on Ohio river improvements. The Fernbank dam cost \$21,743 to maintain. It was up 189 days of the year. During the year 613 steamboats and 2,352 barges and small craft passed through the lock, while 994 steamboats and 5,131 barges and small boats went through the pass. The report further shows that 4,955,911 passengers were carried during the year, while freight amounting to 9,530,309 tons, had a value of \$93,294,479.88.

## RECEIVES HONORS.

John Browning, son of Mr. and Mrs. S. P. Browning, of this city, has been signally honored at the Naval Academy at Annapolis, Md., by being elected as captain of the first company of the first battalion, making him the ranking officer. He is the youngest in his class of 297 members, and his position is an honor coveted by all members of the "plebes." Good for you, John. The Ledger extends congratulations.

## GONE TO BOWMAN SPRINGS.

Mr. James Agnew, the head salesman at Dan Cohen's shoe store, is rusticiating at Bowman Springs, Fleming county. He will be gone about two weeks.

Porter, editor of the Western Recorder; Dr. M. B. Adams, president of Georgetown College; Dr. W. D. Powell, secretary of the State Board of Baptist Missions, and many other representatives of special causes.

The public in general is invited to all of the sessions of the association, which will be held in the First Baptist church.

## NEWLYWEDS.

"Miss Laura Gregg, daughter of Mr. and Mrs. Joseph Gregg, and Mr. William Sylvester, a civil engineer, were united in marriage at the bride's home on Sunday evening by Rev. Williams, of Lebanon. The bride and groom left for Maysville, Ky., on Monday morning for an extended visit at that place. They were met by a party of young friends and relatives at the station and with many congratulations for a happy life were sent on their way with a shower of rice."

—The Mirror, Morrow, O., July 29, 1915.

Mr. and Mrs. William Sylvester are pleasantly located with Mrs. J. M. Harbeson, on East Third street. Mrs. Sylvester is a most attractive young woman, while Mr. Sylvester is one of the engineers on the dam. They are welcome to Maysville and it is hoped our city will be their permanent future home.

**AVIATOR WILSON HELPS RESCUE VICTIMS IN EASTLAND DISASTER.**  
Aviator Al Wilson, who made an airplane flight here in June, has sent several postcards to The Public Ledger, showing him in a diver's outfit, rescuing the victims of the Eastland disaster in the Chicago river a few days ago. The cards give a clear view of the wreck and show Wilson very plainly. His many friends in this city are wondering when he will do next, as his sudden shift from a bird to a fish took them by surprise. These cards are for sale at De Nuzie.

## PROF. WEIDENMYER GOES TO HUNTINGTON.

The music lovers of this city will be sorry to hear that Prof. Weidenmyer, the popular leader of the Gem Orchestra, will leave in a few days to accept a position in Huntington. Prof. Weidenmyer, during his stay in this city, has made many friends who will regret his absence. The owners of the Huntington amusement concern with which he goes could well be made a better selection, as the professor knows the music game from beginning to end.

## "ROCKED IN THE CRADLE OF THE DEEP."

Col. Robert Willett, the popular mixologist of the Central Hotel, is spending the heated spell on his palatial houseboat, "Gypsy Queen," on the Ohio. The Colonel is enjoying himself to the utmost, eating and drinking the best in the land. He is a firm believer in "this is the life."

## EDUCATIONAL PROGRESS

In round numbers there were 22,000,000 persons enrolled in educational institutions in the United States in 1914, according to the Annual Report of the Commissioner of Education just issued. Of these over 19,000,000 were in elementary schools; 1,874,000 in secondary schools, both public and private; and 216,000 in colleges and universities. Close to another hundred thousand were in normal schools preparing to be teachers, 67,000 were in professional schools, and the remainder were scattered through other types of institutions. The teachers for this educational army numbered 700,000, of whom 566,000 were in public schools. In point of rapid growth the public high school still presents the most impressive figures; the enrollment for 1914 is greater by over 84,000 than the year before.

The cost of education for the year, as estimated by the Bureau was \$750,000,000. "These three-quarters of a billion is a relatively small amount when compared with other items in the public expense," declared the report. "It is less by \$300,000,000 than the cost of running the Federal Government; it is less than one-third the

Nation's expenditure for alcoholic liquors; it is only a little over three times the estimated cost of admissions to moving-picture theaters in the United States for the same year. Measured in terms of products of the soil, the United States spent somewhat more for education in 1914 than the value of its cotton crop, somewhat less than the value of its wheat crop, and less than half the value of the annual harvest of corn; while the Nation's bill for education was less by nearly a hundred millions than the value of the exports from the harbor of New York in the calendar year just passed."

Very little increase is yet to be noted in the average term for public schools. Between 1910 and 1913 the increase was from 157.5 days a year to 158.1—a growth of only six-tenths of a day in three years. Attendance has improved, however. The average number of days attended by each person enrolled increased from 113 in 1910 to 115.6 in 1913.

Special subjects treated in this year's Annual Report of the Commissioner of Education include: The Junior High School; Montessori Schools in the United States; Denominational Schools; Vocational Education; Education for Child Nurture and Home-Making; School Surveys; and Educational for Special Classes for Children.

Some newspapers are conducting an editorial symposium to find out where the Republican party was born. A much more important fact is that the Republican party still gives and that it is approaching one of the most brilliant of its triumphs.

## STOMACH TROUBLES

**Mr. Ragland Writes Interesting Letter on This Subject.**

Madison Heights, Va.—Mr. Chas. A. Ragland, of this place, writes: "I have been taking **Thedford's Black-Draught** for indigestion, and other stomach troubles, also colds, and find it to be the very best medicine I have ever used."

After taking **Black-Draught** for a few days, I always feel like a new man. Nervousness, nausea, heartburn, pain in pit of stomach, and a feeling of fullness after eating, are sure symptoms of stomach trouble, and should be given the proper treatment, as your strength and health depend very largely upon your food and its digestion.

To get quick and permanent relief from these ailments, you should take a medicine of known curative merit.

Its 75 years of splendid success, in the treatment of just such troubles, proves the real merit of **Thedford's Black-Draught**. Safe, pleasant, gentle in action, and without bad after-effects, it is sure to benefit both young and old. For sale everywhere. Price 25c. N. C. 12

## RUGGLES CAMPGROUNDS

Ruggles Campgrounds, July 31.—Some of the closing events of the campmeeting have taken place today and last night. The first, a reception given by the R. C. M. girls' club to the young men of the camp, took place last night in the ice cream parlor of the confectionery. It was a brilliant affair. The place had been tastefully decorated for the occasion and presented a scene of beauty with its seventy-odd young men and girls. A receiving line of ten was headed by Mrs. Kreitz, the leading spirit of the club. After every one had passed along the receiving line and all had gotten acquainted with each other, ices and cake were served by the club to all. All pronounced it one of the happiest affairs of the kind ever held on the grounds.

Another happy event was a picnic given to about seventy-five of the little folks at 4 o'clock this afternoon. The picnic was held in a pleasantly shaded spot in the woods, after which all marched to the ice cream parlor and were treated to ice cream cones. The contest among the children ended yesterday with a tie, each side making 237 points. It will be continued next year.

Talk about overcoming obstacles in order to come to campmeeting. About 4 o'clock this afternoon Rev. W. W. Shepherd read into the grounds on horseback, having ridden forty miles today, from Olive Hill, Carter county. Brother Shepherd, who was formerly pastor of the Third Street M. E. church, Maysville, looks as fat and saucy as ever. Evidently Carter county agrees with him. He is combining business with pleasure, doing some missionary work for the Methodist Girls' School at Olive Hill.

The following came out from Maysville today to stay over Sunday: Messrs. Thomas W. Joe and J. W. Tolle, Oscar Grigsby, Charles Breeze, and Mrs. Max Hendrickson, Miss Sallie Rains, Ray Muse and Frank Nash.

Saturday's services: Rev. William Jones led morning prayer; Rev. Feltz preached the morning sermon; Rev. Dover occupied the afternoon hour, using three charts, two on the temperance question and one on church finance. Of course we are always glad to hear Brother Stratton. Mr. David Davies, of St. Thomas, gave a beautiful tenor solo at this service.

The last thing on the program for Saturday night was another deluge of rain, breaking into the arrangements of several social functions of various kinds. The Camp Fire Girls had planned for a big marshmallow roast in the woods, but they would have to have had a boat to have gotten out, so they just crowded in the cottage and roasted 'em on a lamp and had a big time just the same. The prospects for a pretty Sunday are not very flattering. It's tough on palm beaches and white shoes.

Ruggles Campgrounds, August 1.—The morning dawned with leaden skies and with occasional showers, sending a feeling of gloom over the camp. But it was just for a little while. Our weather prophet, Mr. W. A. Swearingen, assured Mr. Lane that we would have a fine day. And so it turned out to be. A more ideal day for the last Sunday could not have been desired. The grounds were just right. No mud nor dust. And such a crowd! The actual gate receipts show it to be the biggest crowd ever attending, which, of course, was gratifying to the Board of Directors. So far as we can learn, there has not been one thing in the way of bad order to mar the pleasures of the day. The tabernacle was crowded at every service. At the morning service Rev. E. R. Overley preached in place of the promised bishop. His sermon was his crowning effort. He preached from the text, "Though He Slay Me, Yet I Will Trust Him." Brother Overley's sermons are always helpful. But never has he preached such a soul-stirring sermon as the one this morning. His audience of 1,500 persons listened with the closest attention to the whole service and were visibly affected by the sermon; the larger part of whom gave their hands to the preacher at the close of the sermon in token of their intention to lead better lives. We are certainly proud of Brother Overley. It has been our privilege to watch his progress in the ministry from the time we first heard him as an awkward country boy, preaching on a circuit. He now occupies a leading place in the Kentucky Conference, his services being in constant demand to assist in revivals and several churches are trying to secure him as pastor.

For the afternoon service we had another great sermon from Rev. W. G. Bradford. The sermon today was especially helpful and instructive to parents, but conveyed a lesson valuable to all. Brother Bradford's services have added much to the present campmeeting.

The twentieth Methodist preacher, in the person of Rev. W. H. Morris, of Sardis, arrived today. He brought quite a delegation of Sardis folks to enjoy the day with us.

Evangelist Kirk with his singer, Miss Jacob, who is to hold short campmeetings at Beechburg and Foxport within the next few weeks, were in attendance here today.

The auto trucks have been much in evidence in the increased attendance at our campmeeting, delegations coming as far as thirty miles. The old way of travel by horse and buggy would have made their attendance impossible, but with the auto truck it is somewhat of a pleasure.

The closing service was held tonight. Rev. W. W. Shepherd, formerly pastor of the Third Street M. E. church, now of Olive Hill, preached the sermon. The subject was "The Sure Anchor of the Soul." Brother Shepherd gave us a good sermon. We were agreeably surprised at the improvement in his style of preaching as well as the subject matter of his sermon.

No two campmeetings close just the same. Tonight after the invitation had been given there was a closing song, a handshake all around and then the final benediction.

Tomorrow we shall all break camp. Most of us would rather stay longer; it's hard to say the goodbyes, but they will be said, and the campmeeting will remain only in sweet memory for its good meetings and happy associations.

## WHEN THE KIDNEYS FAIL

**Maysville People Have Found That Ill Health Follows**

Do you ever feel that you simply can't go any further—that you must have rest from that lame and aching back—relief from the constant, dead-tired feeling—freedom from those stabbing, darting pains? Likely your kidneys are worn and tired and need help. The kidneys work night and day, removing uric acid from the blood and other waste created by expenditure of strength and energy. Naturally a life of unusual activity doubles the duties of the kidneys and in time the strain generally tells. Doan's Kidney Pills have brought new strength to thousands of bad backs and quick relief to weakened kidneys, so users say. Let them do the same for you.

S. O. Duncan, blacksmith, Flemingsburg, Ky., says: "I had severe backaches and my kidneys were out of order, their action being irregular. Hearing about Doan's Kidney Pills, I gave them a trial and was soon convinced of their merit. They strengthened my kidneys and back."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Duncan had. Foster-Milburn Co., Props., Buffalo, N. Y.

## ANNOUNCEMENTS

## "MONZA"

Washington, D. C.—"Not so very far from the battle-swept frontier that takes its way through the Tyrolean Alps lies the Italian town of Monza, wherein one of the most precious of Italy's innumerable historic relics is preserved, the famous 'Iron Crown of Lombardy,' according to a war primer just issued by the National Geographic Society at Washington. 'This iron crown came to the Lombards and to its fame through the gift of Pope Gregory the Great, who presented it to a German princess as a reward for converting her consort to Christianity. Theodolinda was the daughter of a Bavarian king. Reasons of policy brought about an arrangement of her marriage to the emperor, King of the Lombards. Theodolinda was a princess of unusual charm and beauty; and, the story runs, Autharis, who had secretly joined his embassy for the negotiation of his marriage, met the princess as a simple Lombard courtier, and the affection that grew up between them caused the princess to oppose her marriage with the unknown king with all the power of her persuasion.

"Monza, the northern city, dates its first important associations from the coming of Theodolinda. The German queen won the devotion of her subjects, and upon the death of Autharis they agreed to recognize as their king any prince whom she might choose for her second husband. Agilulf, Duke of Turin, was Theodolinda's choice, and he it was, whom she converted to Christianity, whereby the Lombard iron crown started upon its centuries' career of wonderful associations with queens, kings and emperors.

"Pope Gregory's gift was a fillet of iron, which, according to pious traditions, was beaten out of one of the nails which fastened Jesus to the Cross. This relic was brought to Rome by the Empress Helena, and was guarded as a relic of marvelous powers.

"The iron fillet was used to crown the German Emperors Kings of Italy. It was used at the coronation of Charles V., of Napoleon, and of Emperor Ferdinand. It was this crown, too, that was used as the symbol for a united Italy, and with the Lombard iron circlet set in a gold crown of Byzantine workmanship, the King of Italy took his coronation oath and announced the arrival of a united Italian people among the nations of Europe.

"The church, in whose treasury the Lombard crown is preserved, together with other relics of the great Lombard Queen, was founded by Theodolinda. In this Basilica of San Giovanni at Monza are the Queen's fan and comb of gold, and the golden hen and seven golden chicks, which represent Lombardy and her seven provinces.

"Monza lies eight miles north-northeast of the great commercial and industrial city of Milan, with which it is connected by both steam and electric roads. It is built upon the Lambro, a tributary of the Po, and its 32,000 citizens have caught the hustling spirit of the metropolis just to the south. Monza has a flourishing industry, with cotton goods and felt hats as its staple products. Its greatest memory is of its beautiful Bavarian Queen, and its most precious possession is the iron circlet which Pope Gregory gave to her."

## SILO BUILDING IN KENTUCKY

From letters received by the Kentucky Agricultural Experiment Station from farmers in all sections of Kentucky, as well as from other sources of information, it is evident that more silos will be erected in Kentucky this season than in any previous year in the history of the State. Immediately following the laying of the corn crop new silos were begun on hundreds of farms and a conservative estimate will place the number of silos constructed this season above the thousand mark.

Farmers throughout Kentucky have learned the many advantages of the silo. They have begun to realize the great saving in storage space made possible by the use of the silo and have come to appreciate the advantage of having green succulent feed for their stock in the winter time. For several years past Kentucky beef cattle men who fed corn single have made the biggest profits on their feeding operations. Dairy men also have found that cows fed on silage give a much larger flow of milk and render much greater net profits than when fed entirely upon dry feeds.

The Kentucky Experiment Station has established a silo and barn building service which gives valuable assistance to farmers who contemplate the erection of silos and barns of any type. Through this service farmers may receive bills of materials and estimates of cost of silos of any type—concrete, wood, brick, tile or metal. Upon request the Station also expert will visit individual farms, locate silos and give detailed instruction in the erection of silos. The Station has a number of forms for use in building concrete silos. A set of these forms may be obtained by any farmer in the State for a nominal rental fee. Last year a large number of Kentucky farmers availed themselves of this service to their great satisfaction and profit. Many farmers also took advantage of the opportunity to secure plans, estimates of cost and bills of materials for farm barns.

For detailed information or any problem relating to silos and barn construction, address Kentucky Agricultural Experiment Station, Lexington, Ky.

duced in price for Man  
or Boy at Maysville's  
Foremost Clothiers.

Geo. H. Frank & Co.  
Maysville's Foremost Clothiers.

PUBLIC LEADER

John Janvier, Editor  
C. E. Dietrich, General Manager

Telephone No. 40.

Entered at the Maysville, Ky., Post-  
Office as second-class Mail Matter.

## HERE AND THERE

If you have friends visiting you, or if you are  
going on a visit, show them up as  
not a that effect.

Mr. J. C. Everett is in Cincinnati  
today on business.

Mrs. M. D. Quaintance had as her  
Sunday guest, Mr. William Gordon and  
family, of Cincinnati.

Miss Beatrice Brown has returned  
to her home in Dayton, O., after an  
extended visit with relatives here.

Miss Mary Brannon and Miss Mar-  
garet Toohy, of Paris, are the  
guests of Miss May Liston, of Front  
street.

Mr. James Shaw arrived home from  
Cincinnati, O. He will spend his vaca-  
tion with his parents on Houston  
avenue.

Miss Maria Emerald, of Connersville,  
Ind., has been the guest of Miss Lula  
Baugh and friends here for the past  
two weeks.

Misses Opal and Gertrude Baugh  
returned home Monday from a month's  
visit to relatives in Chicago, Spring-  
field, St. Louis and Cincinnati.

Miss Alice Chamberlain and niece,  
Miss Alice Purnell, of Dayton, O.,  
are the guests of Mrs. J. L. Cham-  
berlain, of East Second street.

Miss Martha Lovel is visiting her  
friends, Mrs. C. J. Rennekamp, Vir-  
ginia Kemper and Susan Wilson, of  
Cincinnati. She will return in about  
two weeks.

## HARRISON-SHEETS.

Mr. Steve Harrison, one of the most  
prominent men of this city, and Mrs.  
Eliza Sheets, also of this city, were  
married Monday evening at the resi-  
dence of the bride's brother, Mr.  
Henry Breeze, on Limestone street,  
Rev. A. F. Felts officiating.

At the entrance of the bridal couple,  
Miss Lula Baugh, played Mendels-  
sohn's Wedding March and during the  
ceremony "Remember Me." After the  
ceremony they repaired to the din-  
ing room where an elegant supper  
was served. Only a few friends and  
relatives were present.

The bride is a lovely woman, with  
a host of friends, who wish her a long  
life of happiness.

Immediately after the supper they  
left for the home of the groom, on  
East Second street, which is one of  
the prettiest in the city. Their many  
friends extend congratulations.

## BALL GAME CALLED OFF ON AC- COUNT OF WET GROUNDS.

The second game of the series with  
Frankfort scheduled for Monday was  
called off on account of wet grounds.  
This rest will give the players a  
chance to prepare for the hot con-  
ditions that will follow during the re-  
mainder of the series. Maysville, if  
she wins the three remaining games,  
will head the league and with the  
present team and the new pitchers  
just signed up, we should do this with  
ease. Let the fans of this city come  
out and boost the boys and the  
chances of winning the series will be  
very much stronger.

## SELLING SEASON TICKETS.

The management of the Maysville  
Ohio State League baseball team are  
selling season tickets. The price they  
ask is very reasonable and it will be  
much cheaper for the fan to pur-  
chase one of these than to pay ad-  
mission every time he goes to the  
game. These tickets also include ad-  
mission to the grandstand. The price  
asked for the tickets is only \$3.50,  
and every fan should purchase one.

## PLAYERS RELEASED.

The management of the Ohio State  
League baseball team in this city  
has given Players Brockley and Bat-  
man their unconditional release. This  
had to be done to make room for the  
new pitchers, Winchell and French,  
who have been signed up. The re-  
leased players will have no trouble  
picking up with any team in the Ohio  
State as they have a reputation of be-  
ing good men.

## HUNTERS, BEWARE.

Nimrods look out for the game war-  
dens, as they are now busy in this  
county looking after the persons who  
endeavor to hunt without first pro-  
curing a hunter's license.

H. E. PORTER,  
District Game Warden.

The Rev. J. H. Fielding leaves to-  
day to visit his sister, Mrs. Bird, at  
her summer home at St. Elmo, Lake  
Muskoka, Canada.

## TELEPHONE FRAN- CHISE GRANTED

City Council Grants Franchise On  
Condition That the Service of  
the Maysville Telephone  
Company Is Improved—  
Increase Denied.

Council met in regular monthly ses-  
sion Monday evening, Mayor J. W.  
Lee presiding. All members were  
present except Foster of the Fourth,  
Cullen of the First and Everett of the  
Third-Ward.

Mayor Lee reported he had collect-  
ed \$17.35 from various sources dur-  
ing the month.

Police Judge John L. Whitaker sub-  
mitted the following report:

Fines paid \$92; worked out \$173-  
20; total amount of money collected  
by Chief of Police, \$22.

City Treasurer Hal C. Curran re-  
ported a balance in the treasury of  
\$2,325.32.

City Clerk G. W. Owens read the  
minutes of the last meeting, ordered  
adopted.

Captain C. M. Phister reported a  
total of \$64.85 collected during the  
month of July.

Building permits were granted to  
the following:

Thompson & McAtee, addition to  
their plant on West Second street.

Lowery Orr, bungalow, brick and  
slate mansard, East Second street.

Fifth Ward, Oscar Grigsby, porch in  
front of his residence on West Sec-  
ond street.

Edward Chamberlain, kitchen in  
the rear of his home on Fourth street.

Chief Newell's report from the  
Fire Department showed that no  
alarms had been answered during  
July.

The saloon license of Ed Whitting-  
ton was ordered transferred to Ad  
Moorefield. Ordered, that the bill-  
board in the First Ward in front of  
Riverview Terrace, be removed, as the  
board was a nuisance.

Gallenstein Bros. presented a bill for \$125 as dam-  
ages done by the overflow of the city  
sewer several weeks ago, referred to  
the Propositions and Grievances  
committee. The rock crusher which  
was sold to Brannon & Pollitt sev-  
eral months ago, having been paid  
for, Council ordered that it be seized  
and taken back to the city stables and  
kept there until paid for. The Ways  
and Means Committee were told to  
pay \$500 on interest on old bonds. It  
was ordered that an expert account-  
ant be hired to look over the books  
of the city for a period of years. The  
period being unlimited. The rocking  
of Commerce street was referred to  
the Internal Improvement Committee.  
It was ordered that an ordinance re-  
pealing the coal license be prepared  
and presented at the next meeting.  
Emergency bonds to the extent of  
\$1,500 were ordered issued.

At this time Mr. Le Wright Brown-  
ing spoke before the body in the in-  
terest of the franchise to be given to  
the Maysville Telephone Company.

After a lengthy discussion of the or-  
dinance it was passed, providing there  
will be no increase in the rates of the  
phones until the service, which is  
very poor, merits it.

Mr. Gantley, of the Fourth Ward,  
asked the Mayor about the supposed  
resignation of Mr. Foster and he was  
informed that Member Foster had not  
resigned from Council but from the  
chairmanship of the Internal Improve-  
ment committee.

Adjourned.

## DAM NOTES

Items of Interest About Lock Dam  
No. 33.

The gigantic cofferdam is now  
pumped dry and work on the cement  
system of locks is beginning, several  
of the pile driving machines being  
busy.

The pumps of the cofferdam are  
working very slowly, pumping the  
seepage, which is decreasing every  
hour.

The two donkey engines are very  
busy now as they have extended the  
narrow-gauge track to the bottom of  
the cofferdam and these little engines  
are now carrying cement.

The big cement mixing machine is  
working overtime, turning out cement  
to be used on the lock system under  
erection.

A special spur of track has been  
made over the cofferdam to the ce-  
ment mixers. This requires several  
feet of trestle.

Pile drivers are busy at the present  
time driving a foundation for the lock.

Lumber continues to roll into the  
Bates-Rogers camp and at the present  
time several piles of lumber of extra-  
ordinary size are on the grounds.

## NORTH SHORE BATHING BEACH IS POPULAR.

The many devotees of aquatic sports  
are happy now and the chief reason  
of their happiness is the fact that the  
north shore bathing beach is now in  
full bloom. This year's sand bar is  
one of the finest in years, the recent  
high water having washed the bar of  
all snags, making it an ideal spot for  
bathing. Each afternoon many people  
from this city take advantage of the  
opportunity offered for a cooling dip  
in the Ohio and the bar resembles  
Atlantic City in miniature.

## BIG SALE OF PONIES.

The sale of Shetland ponies held  
Monday by Mr. W. E. Pyles, of the  
county, at the Home warehouse was  
a success in every particular. All  
but four of the little creatures were  
sold, the prices ranging from \$50 to  
\$115. Auctioneer Hawkins kept the  
sale lively and bidding was brisk.

## EWING FAIR.

The Ledger acknowledges receipt of  
prize badge to the Ewing Fair, to be  
held at Ewing, August 19 to 21, and  
as these fairs are always more than  
worth while, the badge will be used.

Mr. H. M. Merriwether, of Kansas  
City, Mo., is here visiting his daugh-  
ter, Mrs. Le Wright Browning. Mr.  
Merriwether is an elegant gentle-  
man, and is connected with several  
large commercial and business enter-  
prises in Missouri and elsewhere.

Significant, perhaps, of Democratic  
harmony, is this: As soon as Bryan  
told the Oregon women that he would  
not be in the suffrage campaign,   
Champ Clark appeared as a cham-  
pion of the cause.

The Mason County Humane Society  
will meet at the Public Library Tues-  
day evening, August 3, at 8:30 o'clock.  
Those interested in humane work are  
requested to be present.

Joseph Daniels says his new ad-  
visory board is "a mobilization of  
genius." What a pity that was not  
the policy when the cabinet was made  
up.

Col. E. Polk Johnson, famous Ken-  
ucky historian, is the pleasant guest  
of Mr. W. H. Robb, in the county.

Mr. William Ralph, of Ewing, was  
a business visitor in this city Mon-  
day.

Mr. S. R. Montleth, of Ewing, was  
in this city Monday on business.

If it is difficult to name all the things in your sitting  
room with your eyes shut, would it be hard to do if a fire  
destroyed them. Get one of our free household inventories  
and find out what your furniture is worth and how much fire  
insurance you need. Don't insure it in a lump. The ad-  
juster wants an itemized statement when you have a fire.  
Get an inventory. They solve the problem and guarantee  
you a square deal. Call and get one free at our office. If  
it's worth having it's worth insuring.

Same Sunday last year.. 599

Hot weather seems to have sent  
all the Sunday schools to the shady  
nooks and corners to keep cool; how-  
ever, we beat last year's record by  
thirty-eight.

The most importance religious  
gathering in Mason county in years  
was the first day of the Farmers'  
Chautauqua, held on the Germantown  
Fairgrounds. When 2,000 people leave  
their different churches for a serv-  
ice of that character and the speak-  
ers are given the attention that that  
audience gave on a hot day, it means  
much to and in the religious world.  
This is the third year of the Farm-  
ers' Chautauqua in Kentucky and the  
first in Mason county. May it be the  
forerunner of many more. The pre-  
sident, W. N. Humlong, deserves great-  
est praise for his untiring efforts to  
make it a success.

Farm Demonstrator A. M. Casey  
and the committee were praised on all  
sides for the great meeting.

## ANNOUNCEMENT

The following prices f. o. b. Detroit, effective Aug. 2, 1915:

Ford Runabout ..... \$390.00  
Ford Touring Car ..... 440.00  
Ford Town Car ..... 640.00

No speedometer included in this year's  
equipment, otherwise cars fully equipped.

There can be no assurance given against an advance in these prices  
at any time. We guarantee, however, that there will be no reduc-  
tion in these prices prior to Aug. 1, 1916.

## Profit-Sharing With Retail Buyers

On August 1, 1914 we made the announcement that if we could  
make and sell at retail 300,000 Ford cars between August 1, 1914  
and August 1, 1915 we would share profits with the retail purchas-  
ers, to the extent of from \$40 to \$60 on each car. We have sold  
over 300,000 Ford cars in the time specified, and profit-sharing  
checks of \$50 each will be distributed as rapidly as possible after  
August 15, 1915. Retail purchasers who have not yet mailed us  
their profit-sharing coupons, properly endorsed, should do so with-  
out delay.

Our plan to profit-share with retail purchasers of Ford cars during  
1914-15 has been most successful. We thoroughly believe in it,  
but, realizing the uncertainty of conditions generally makes it  
advisable to defer any announcement of future profit-sharing until  
a later date.

We are, however, confident of our inability to reduce costs for sev-  
eral months, and therefore can offer no profit-sharing for cars.

## "IDEAL" Fireless Cook Stove

Roasts, Bakes, Steams, Stews, Fries, Boils

Bake, roast, stew, boil or fry your food in an "Ideal" Fireless  
Cooker.

Your fuel, grocery and meat bills will be greatly reduced. Cheap  
cuts of meat cooked in the "Ideal" become as tasty and tender  
as expensive cuts cooked  
by the old style stove.  
There will be no waste  
or evaporation of food,  
so you will buy less food  
—pay less for it. The  
stove you now have will  
be needed but a fraction  
of the time you now use  
it—hence fuel bills will  
diminish 80%.

You now spend hours  
in the kitchen. With an  
"Ideal" Fireless Cookstove  
only a few minutes each  
day will be needed.

Come in and let us show  
you this is true.  
Every day you spend  
without an "Ideal" you are  
robbing yourself of money,  
time, energy, strength and  
youth. Investigate the  
"Ideal" now.
